December 2010 Expo

December 2010 EXPO and Poster Session

The poster display of proposed solutions for 80+ projects started this Fall and the display of over 30 completed projects was on Friday, December 10th. The project winners are shown below. A gallery of pictures of the event can be found here:

Call for Projects!

It's never too late to submit a project. We may have closed the entries for this semester but there's always next time. We start projects in both January and September. See the website if you need forms: <http://srdesign.uncc.edu/company-information.html>

2010 Fall Expo Winners
